FOI Unit

Dublin 2

Dear Ms. Rabbitte.

Under the Freedom of Information Act, I would like to request a copy of the licence options for shale gas drilling using hydraulic fracturing, as granted to Tamboran Resources Pty., Lough Allen Natural Gas Company and Enegi Oil Plc., including the terms and conditions of these licences.

Likewise, I would like a copy of all correspondence and all reports evaluating the reasons associated with the granting of these licences, under section 18 of the Freedom of Information Act.

I would also like a copy and the conditions of the next stage of the licence, the exploration licence, as well as any other relevant copies of licences in relation to hydraulic fracturing in Ireland.

These copies may be provided either in the form of a computer disc or as photocopies of the relevant documents.

I'm enclosing a postal order for € 15.

Yours sincerely,

Ron Beemster
